MESSAGE FROM THE SENATE

Austin, Texas, October 16, 1936.

Hon. Coke Stevenson, Speaker of the House of Representatives.

Sir: I am directed by the Senate to inform the House the Senate has refused to concur in House Amendments to Senate Bill 5 and requests the appointment of a Conference Committee to adjust the differences between the two Houses.

The following have been appointed on the part of the Senate:

Senators,

SHIVERS,
POAGE,
BURNS,
NELSON,
RAWLINGS.

Respectfully,

BOB BARKER,
Secretary of the Senate.

CONFERENCE COMMITTEE ON SENATE BILL NO. 5

On motion of Mr. Farmer, the House granted the request of the Senate for the appointment of a Conference Committee to adjust the differences of the two Houses on Senate Bill No. 5.

In accordance with the above action, the Speaker announced the appointment of the following Conference Committee: Mr. Davisson of Eastland, Mr. Lemens, Mr. Nicholson, Mr. Latham and Mr. Jefferson.

REPORT OF THE SUB-COMMITTEE ON ELEEMOSYNARY AND REFORMATORY INSTITUTIONS

On motion of Mrs. Moore, the following report of a sub-committee of the Committee on Eleemosynary and Reformatory Institutions, was ordered printed in the Journal:

Committee Room,

Austin, Texas, October 13, 1936.

Hon. Helen Moore, Chairman of the Committee of the House on Eleemosynary Institutions.

We, your sub-committee appointed by you to investigate and report on H. S. R. No. 14, make the following report:

We find that there are now confined in jail in the different counties of the State 287 insane persons awaiting transportation and allocation to different hospitals; that there are now cared for by relatives 304 persons who in our opinion are largely made up of seniles and not necessarily properly to be confined in hospitals.

We find that there has been provided sufficient funds to erect sufficient buildings to take care of all proper patients now in the jails of our State, but on account of an effort to obtain Federal Funds in assisting the State in such buildings, all of such buildings have not yet been erected; but we understand they are practically all now contracted for, and the State will in a short time be able to take care of all of its jail confined insane.

We find no serious evidence of any mistreatment of inmates of hospitals by attendants, nor that the said hospitals are unsanitary nor unhealthful. We do know that many of the buildings are old and not in accord

with modern ideas as to architecture, plumbing, etc., and we hope that in the near future, the funds of the State will permit a radical change in such matters. However, at the present time, such buildings are serviceable and useful to the State for the purpose for which they were built.

We do find that the salaries of attendants and physicians in such institutions are inadequate and unattractive, and that the State is not able to employ and hold efficient employees for any great length of time. This is the fault of the Legislature and not of the administration of such hospitals.

We find that during the repairs on some of the buildings in the hospitals some of the inmates thereof sleep on the floor; and also that on account of their inability to remain on a bed, some few inmates of such hospitals are caused to sleep on the floor.

We find also that there are many senile or custodial patients now confined in these hospitals who should not be there; who should be taken care of at home without occupying room or demanding attention at such hospitals that should be occupied by one with a maniacal tendency.

We find no reason why this resolution should be passed, and we report unfavorably thereon.

SETTLE,
GRAVES,
TENNYSON.

ADOPTING MASCOT OF THE HOUSE

Mr. Jones of Falls offered the following resolution:

Whereas, We have with us now a proper person for office of Mascot of the House of Representatives of the 44th Legislature; and

Whereas, The House of Representatives has heretofore, selected and elected other Mascots for the House of Representatives of the 44th Legislature; and

Whereas, This young man has arrived since the last Called Session of the Legislature; now, therefore, be it

Resolved, That Roy Hofheinz, Jr., son of our distinguished Member, Roy Hofheinz, Sr., of Houston, be hereby officially named by this House as Mascot of the House of Representatives of the 44th Legislature of the State of Texas; and be it further

Resolved, That the said Mascot have his picture made and placed in the official group of this body.

PALMER,
ASH,

ADKINS.

The resolution was read second time, and was adopted.

AUTHORIZING ISSUANCE OF CERTAIN WARRANTS

Mr. Leonard offered the following resolution:

H. C. R. No. 18, Authorizing Issuance of Certain Warrants.

Whereas, In preparing the items for the Appropriation Bill covering the Board of County and District Road Indebtedness for the biennium beginning on August 31, 1935, all of the items were not sufficiently described so as to properly cover the items for which the appropriation was intended; and

Whereas, Under the heading, "Bond Coupon Division," no provision was made for the payment of the bond premium of the employees working for this Board and stationed in the State Treasury Department; and

Whereas, It was the intention of the Legislature at the time the Appropriation Bill was passed that this premium be paid out of Item No. Eighteen in the Appropriation Bill for the above Board; therefore, be it

Resolved by the House, the Senate concurring, That the State Comptroller is hereby directed to issue the necessary warrant or warrants for the payment of bond premiums above described out of the amount of money shown under Item No. Eighteen for the Board of County and District Road Indebtedness in the General Appropriation Bill as passed by the Forty-fourth Legislature, Regular Session.

The resolution was read second time, and was adopted.

PROVIDING FOR DISTRIBUTION OF CERTAIN JOURNALS

Mr. Stinson offered the following resolution:

H. C. R. No. 19, Providing for distribution of certain Journals.

Whereas, In the basement of the Capitol Building and under the cus-

tody of the Secretary of State are stored large numbers of the Journals of the House and Senate for many years; and

Whereas, The large number of surplus copies of such Journals occupy a large amount of space and are of no practical value to anyone; and

Whereas, There is a demand from the colleges, universities and public schools of the State for such volumes for their respective libraries; and

Whereas, By the proper distribution of such surplus volumes among the colleges, universities and public schools of the State such surplus volumes may be a valuable addition and contribution to such libraries, and at the same time will preserve such volumes for future use and reference by the citizens of the State and would relieve the great congestion of such volumes in the basement of the Capitol Building; now, therefore, be it

Resolved by the House of Representatives of the State of Texas, the Senate concurring, That the Secretary of State be and is hereby authorized to supply such colleges, universities and public schools of the State of Texas as request such volumes as long as the supply shall last, provided that the Secretary of State shall retain not less than six (6) copies of each volume of such Journals, and provided further that such colleges, universities and public schools as may desire and request such volumes shall bear all transportation costs from the Capitol Building to the place of destination.

The resolution was read second time, and was adopted.

COMMENDING THE STATE HIGHWAY DEPARTMENT

Mr. Hankamer offered the following resolution:

H. C. R. No. 20, Commending the State Highway Department.

Whereas, The State Highway Department, at the beginning of the Texas Centennial, did construct certain information offices at certain points of entry to the State of Texas; and

Whereas, The construction and maintenance of these houses has resulted in much benefit to the State of Texas and has created much good will among those who have visited our State during the past year; and

Whereas, It would seem that sound public policy would best be served by

a continuation of the maintenance of these houses at important entry points after the Centennial closes as it is believed that the benefits will be much more than the cost; now, therefore, be it

Resolved by the House of Representatives, the Senate concurring, That the action of the Highway Department in establishing these houses during the Centennial is commended as an act of sound policy and one that has brought much benefit to the State of Texas; and, be it further

Resolved, That it be the sense of this Legislature that the State Highway Department continue, after the Centennial has closed, to give such service at important State-line points for the benefit of this State.

The resolution was read second time, and was adopted.

COMMENDING THE ADMINISTRATION OF PRES. FRANKLIN D. ROOSEVELT AND HON JOHN N. GARNER

Mr. Farmer offered the following resolution:

Commending the administration of President Franklin D. Roosevelt and the Honorable John N. Garner, and directing that copies of same be sent to the President, Vice-President, and Honorable James F. Farley, Chairman of the National Democratic Committee.

Whereas, There is now on in the United States a great national campaign for the election of a President and Vice-President to serve our country during the ensuing four years, that peace, stability and prosperity may continue; and

Whereas, It is fitting that the House of Representatives of the great State of Texas should lend its voice as representatives of the people of Texas, to the support of those candi-

dates that best carry out the ideals of Texans, and thereby give notice to the world where this Legislative Body stands in regard to the candidates, that our aid and comfort may be given to those that hold aloft the banner of our ideals and that they may be cheered and comforted in this great battle for the right; and

Whereas, President Franklin D. Roosevelt and Vice-President John N. Garner have chiefly exemplified the ideals of Texans, and their administration of national affairs has greatly conduced to the prosperity of the people of Texas in varied and many ways hereinafter set out; and in behalf of the Vice-President, who is a native of Texas, and who has helped to strengthen the hand of the President and hold aloft the banner of the New Deal and achieve peace, prosperity and happiness for this nation, we want the world to know that we are behind the President and the Vice-President with an Eight Hundred (800,000) Thousand majority in the election next month; and

Whereas, President Franklin D. Roosevelt has kept us out of war and led us along the pathway of peace with all nations and by his splendid statesmanship is bringing us again to prosperity; and

Whereas, Confidence has been restored to the people in the banks of the country, and brought forth from its hiding unused money; and

Whereas, By the conduct of his administration in raising billions of dollars that has been used to clothe, and feed the hungry men, women and children of this nation when formerly billions were raised to slaughter men; and

Whereas, The farmers of this country have been lifted from the slough of despondency in a large measure and there is promise of still further relief for them; and

Whereas, The youth of the land have not been forgotten and the enactment and administration of the C C C Law has brought hope to tens of thousands of young men, and has helped thereby to strike down the spirit of anarchy, radicalism and communism; and

Whereas, The President has continually inculcated the spirit of the good neighbor and has used his great heart and mind to bring about the confidence of business men in the greatness of our country and thereby

has promoted the happiness of all our people; and

Whereas, In his triumphant tour of the country he is arousing the confidence of the people of the United States to enlist beneath the folds of his hopeful banner and say with him as he recently said, "We are going much further in the next four years than we have in the last three and one-half years"; and

Whereas, Time fails us to further recite the splendid work of the administration; therefore, be it

Resolved, That we, the Members of the House of Representatives of the State of Texas in session assembled, do here endorse the administration of President Franklin D. Roosevelt and Vice-President John N. Garner, and do commend to the people of the United States, these splendid patriots and statesmen and ask of them their hearty support for the re-election of these statesmen; and do say to the other states that Texas, in November, will give them a majority of Eight Hundred (800,000) Thousand votes; and, be it further

Resolved, That the Chief Clerk of the House of Representatives be instructed to send copies of this resolution forthwith to the President, Vice-President and the Honorable James F. Farley, Chairman of the Democratic National Committee, that they may know of our action this day, and be cheered and comforted in the terrific battle that is now raging.

The resolution was read second time.

The resolution was adopted by the following vote:

ADDRESS BY HON. FRED HARTLEY

In accordance with the provisions of a resolution adopted on yesterday, inviting Hon. Fred Hartley, President of the Junior Bar Association of Texas, to address the House, the Hon. Fred Hartley was escorted to the Speaker's stand by Mr. Jones of Falls, Mr. Cagle, Mr. Ford, Mr. Harris of Dallas, Mr. Hartzog and Mr. Butler of Brazos.

Speaker Stevenson presented Mr. Jones of Falls, who in turn presented Mr. Butler of Brazos. Mr. Butler of Brazos introduced Hon. Fred Hartley.

BILL SIGNED BY THE SPEAKER

The Speaker signed, in the presence of the House, after giving due notice thereof, and its caption had been read, the following enrolled bill:

S. B. No. 8, "An Act empowering and directing the State Treasurer to sell and liquidate any and all bonds or interest bearing obligations of the United States or obligations guaranteed as to both principal and interest by the United States now on deposit in the Permanent Old Age Pension Fund, and declaring an emergency."

EXPRESSING APPRECIATION TO MEMBERS OF THE HOUSE

The Speaker laid before the House and had read the following communication:

Austin, Texas, October 15, 1936

To the Members of the House of Representatives

Fellow Members:

When I visited the House on Wednesday morning for a short period, I did not have the opportunity of thanking you for the wonderful floral offering sent me at the hospital in San Antonio, nor did I have the opportunity to say anything about the resolution of sympathy that was passed by the House.

Mrs. McKee and I wish to express our thanks for your thoughtfulness for both flowers and resolution, but it is the finer and deeper sentiment and understanding on the part of you Members which you have demonstrated that helped me hasten on the road to recovery.

Your many offers of help will always be remembered by Mrs. McKee

and myself, and I am asking, in this letter, that you give Frank A. Wood a mighty big hand for furnishing me the blood for my transfusion, for that is one thing that helped pull me through.

To each of you, our friends, we thank you, and although we know we may never be personally able to repay the many kind demonstrations and offers of help, we stand ready at all times to try to serve someone else as you have served us.

Sincerely and gratefully yours,

HELEN L. McKEE,

HARRY L. McKEE.

On motion of Mr. McConnell, the above communication was ordered printed in the Journal.

TO PROVIDE FOR PURCHASE OF CERTAIN STATUTES

Mr. Lemens offered the following resolution:

Whereas, It will greatly facilitate the work of the Members of the House of Representatives if they have access to the Statutes of this State; and

Whereas, The Library is not equipped with a sufficient number of volumes of the Statutes to supply the actual needs of the membership; and

Whereas, The Members have heretofore partially been supplied with three volumes of the Statutes, and it is necessary that a fourth volume be supplied in order to bring the amendments down to date; now, therefore, be it

Resolved, That the Contingent Expense Committee of the House be instructed to purchase for the use of the Members of the House, thirty-six (36) volumes of the Texas Statutes, 1936, Centennial Edition.

APPENDIX**REPORT OF THE COMMITTEE ON
ENROLLED BILLS**

Austin, Texas, October 15, 1936.
Hon. Coke Stevenson, Speaker of the
House of Representatives.

Sir: Your Committee on Enrolled
Bills to whom was referred

H. C. R. No. 6, Granting W. L.
Walker permission to sue the State.

Has carefully compared same and
finds it correctly enrolled.

ATCHISON, Chairman.

In Memory of
C. J. von Rosenberg

Mr. Herzik offered the following resolution:

Whereas, Death is no respecter of persons, and as the years pass and age creeps up with unerring certainty, the once vigorous body becomes inactive and the edict ever issued is accepted. With infirmity paramount, the pilgrimage on earth comes, much as we may seek to defer, to an end; and

Whereas, Upon the Memorial Pages of the Journal, because of the excellent service he has rendered to the State, as a Member of the House of Representatives of the Thirty-first Legislature, and in prominence in his own communities, we inscribe the name of Hon. C. J. von Rosenberg; and

Whereas, During such service he was found to be always diligent, shrewd and painstaking; ever present unless barred by illness. He was a native born citizen of Fayette County; successful in business, and upon the earnest solicitation of the general public, became a candidate for the membership in the Legislature and was elected. He served on several important committees while serving his county and State. He died at Austin, Texas, July 20, 1934, at the age of 77 years, 5 months and 16 days; and

Whereas, Such men leave behind them much that is commendable, and in the general run of time, whether the State prospered or reverses were charged to mankind, one found him ready and willing, responding to the smallest as well as the more general appeal; therefore, be it

Resolved, That the Members of the Forty-fourth Legislature express their regrets of the passing of this outstanding Statesman and worthy citizen; and be it further

Resolved, That a copy of this resolution be spread on the Journal of today in memory of the deceased; and be it further

Resolved, That the Chief Clerk of the House be instructed to send the family of the deceased a copy of this resolution under the seal of the Chief Clerk of the House of Representatives.

HERZIK

The resolution was read second time, and was unanimously adopted.

In Memory of
Hon. J. L. Quicksall

Mr. Cagle offered the following resolution:

Whereas, On Wednesday evening, October 14th, 1936, the Honorable J. L. Quicksall of Waco, Texas, departed this life; and
